

1/2

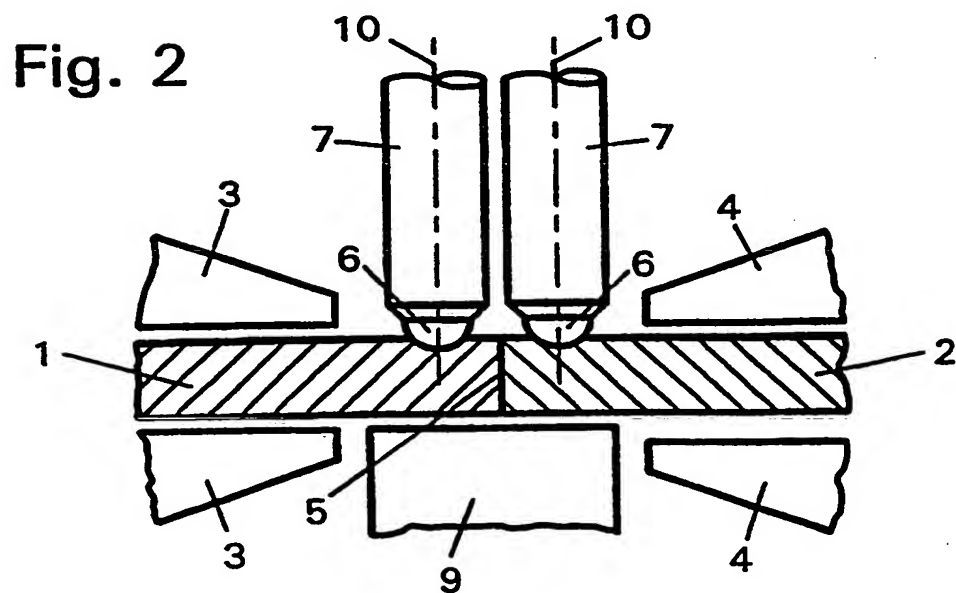

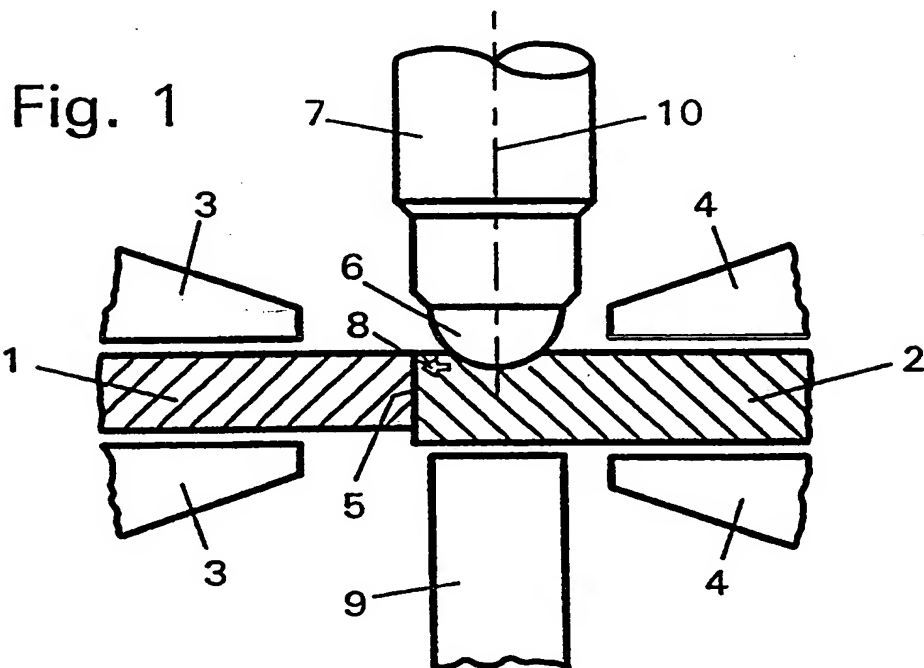

Fig. 4

Fig. 4 is a cross-sectional view of a mechanical assembly. A central shaft (10) is mounted on a base (1). The shaft has a flange (6) and a conical part (7). A square block (15) is positioned above the shaft, connected by a dashed line (5). A wedge-shaped part (12) is on the right, and a trapezoidal part (13) is on the left. A large rectangular block (9) is at the bottom, connected to the shaft by a dashed line (11). The base (1) is hatched. Other parts are labeled 2, 3, and 4.
